

# POTASSIUM IODIDE (KI)

## For General Population VOUCHER

PRINT THIS PAGE AND TAKE TO A DISTRIBUTION LOCATION LISTED BELOW

The San Luis Obispo County Public Health Department is providing two KI doses in tablet form for residents who live or work within a Protective Action Zone (PAZ). Residents may use this voucher to obtain KI from authorized locations. Individuals who receive KI will be provided with copies of the KI manufacturer package insert or similar prepared information and instructions.

**POTASSIUM  
IODIDE (KI)**

One voucher per household, facility or business. Recipients must be 18 years or older and present a completed voucher in order to claim the product. Identification will be requested. Pre-distribution locations are listed on the back of this voucher.

PLEASE COMPLETE THE FOLLOWING INFORMATION:

PAZ NUMBER:

AGE AND WEIGHT RANGE	NUMBER OF INDIVIDUALS
Adults over 18 years old	_____
Children 12-18 years old who weigh at least 150 lbs.	_____
Children to 18 years old who weigh less than 150 lbs.	_____

(Official Use Only) Number of boxes distributed \_\_\_\_\_

KI SHOULD ONLY BE TAKEN AFTER SPECIFIC INSTRUCTION BY A LOCAL OR STATE PUBLIC HEALTH OFFICIAL. See additional information in the current full-size AT&T phone book or on the following websites:

- San Luis Obispo County Public Health Department: <http://www.slocounty.ca.gov/health>
- San Luis Obispo County Office of Emergency Services: <http://www.slocounty.ca.gov/oes>

**BY SUBMITTING THIS VOUCHER TO RECEIVE POTASSIUM IODIDE TABLETS, I UNDERSTAND THE FOLLOWING:**

- 1) The use of KI is voluntary; I am not required to accept it or use it.
- 2) KI is NOT a substitute for evacuation or sheltering in place, which are the most effective protective actions in the event of a radiological emergency.
- 3) KI protects only the thyroid gland from radioactive iodine. In a radiological release, I would be vulnerable to possible exposure to other potentially dangerous forms of radiation.
- 4) I assume full responsibility for using KI.
- 5) If I use this voucher I will receive two doses for each person for whom it is requested.
- 6) In the event of an emergency at Diablo Canyon Power Plant, KI will NOT be made available to the public at the pre-distribution locations or the evacuee reception centers.
- 7) I will follow the Directions for Use on the ThyroSafe consumer package insert that will accompany my supply of potassium iodide.

## POTASSIUM IODIDE (KI) PRE-DISTRIBUTION LOCATIONS

SLO COUNTY PUBLIC HEALTH DEPARTMENTS:

Grover Beach: 286 South 16th Street

San Luis Obispo: 2191 Johnson Avenue

*This voucher from the County of San Luis Obispo is for the pre-distribution of free KI tablets, while supplies last. This is a voluntary program for those who work or reside in a PAZ. For more information about KI or radiation, please see your current full size AT&T phone book.*
